GENERAL AND REVENUE SECRETARI[illegible]

Serial Nos. 1-14

Major ~~Part~~ B for June 94

SUBJECT.

Coffee lands owned by Mr. Sanderson in Chamarajanagar Taluk.

---

26 & 1890
1-6

Contractor arrived

W D 88—GPB—50,000—24-7-16

Received

No. 611
21

Mysore Dep: Comm's Office
Dated 12th August 1890.

From,
G. F. Micklejohn Esquire
Deputy Commissioner
Mysore

To The Chief Secretary to the
Government of Mysore.

Sir,

I have the honor to submit herewith for the orders of Government Copy of Mr. Sanderson's application for land for Coffee cultivation in the Channarayapatna Taluk, and to request that, if the Government approve to Mr. Sanderson having the land in question, the Survey Superintendent may be kindly asked to have it surveyed and classed, and it can then be assessed at the Survey Jamabandy settlement of the Taluk. It is not known whether the Dewan when he gave Mr. Sanderson permission to clear intended him to have the land on assessment at once or whether it was meant to give him land free for some years as is done in giving out uncleared jungle in Kadur

of

of course, however, there is a considerable difference between this land, which is, I understand, below the channel and can be irrigated, and a jungle in the mainland.

I have the honor to be,

Sir

Your most obedient Servant

for Deputy Commissioner

Myaungdoh

No: 103. (1)

Kheddah Supt'ds office
Mysore —
7/8 August 1890.

From
The Superintendent of Kheddas
Mysore —

To
The Deputy Commissioner
Mysore District.

Sir,

I have the honor to inform you that in March last, when I was passing through Bangalore on my way to Burmah, I requested the Dewan to allow me to take up a piece of land near Morlay, Chamrajnagar Taluk, for experiments in coffee and other products, and with a particular view to giving employment to the hunters who are employed at certain seasons in the khedda operations, but for whom work cannot be found at other times. Many of these go to dis-land-

distant coffee Estates, which is a dis-
advantage for them, and for Khe-
dda work. There is a patch of ground
which has hitherto been dense jungle,
infested by Elephants until 1874,
when I caught 55 of these animals
in this very place, and which to-
this day has been the stronghold
of tigers &c. It is about, I fancy,
two hundred acres in extent and
is situated under the Hongle-
-waddy Khaunch, and this is the
ground I applied for.

2. The Dewan gave me the ne-
-cessary permission to clear the land
on the chance of its being suitable
for cultivation. Some forty acres,
or so, by guess have now been cleared
at great expense, and as the land

seems

seems suitable for a trial of coffee, I now have the honor to apply for the same, upon such terms as may be settled by the Dewan. I propose clearing the rest of the land next cold weather, as though it will not be possible to plant coffee on it for some time, nor, indeed, until the results of the venture of forty acres is seen, some other crop that will afford occupation to the hunters and their families, can be grown.

3. I showed the land to Sir Oliver St. John, the British Resident, when he visited my camp lately, and he stated unofficially of course, that he believed there would not be any objection, on the part of the Government of India to my holding the land.

4. I am having a survey made of

of the piece of jungle, and will send you the plan shortly. Meanwhile the Revenue authorities could also be estimating it, if ordered to do so.

5. The rains have been very backward in the Chamrajnagar Taluk until just lately, and the people of the vicinity of Monlay were unemployed. During May, June, and July upwards of 10,000 wages at 4 as per diem were paid away in clearing and preparing the forty acres; and so glad were the people of this help that they came from distances of six miles daily arriving on the work at 7 A.M and leaving at 6 P.M.

6. This experiment will be of value in the Chamrajnagar Taluk

(5)

if it succeeds, as there is a stretch of many miles of garden land extending along the Honhollay River, and the Yelandur Taluk, in which coffee, may be grown, if it succeeds with me.

I have the honor &c.

/sd/ G.P. Sanderson

To,

The Deputy Commissioner
Mysore Dist.

LR
No 24-90
Serial No 4

His Docket No. 12269 17th ultimo, about Mr. Sanderson taking up land for coffee cultivation.

Adverting to correspondence ending with the above, has the honor to observe that Mr. Sanderson's action on so called verbal permission granted by the Dewan, is inconvenient and embarrassing. The Dewan would only have stated unofficially, that he

he would not object
to his coffee cultivation;
and this was hardly
sufficient for Mr. San-
derson taking up the
land, except in the
usual course of pre-
scribed procedure.
To enable British
Officers to hold land
in Mysore, the sanc-
tion of the Govern-
ment of India is
necessary, and there-
fore the Resident
has been requested
to inquire whether the
Government of India
will have any objec-
tion to Mr. Sanderson
acquiring the land
in

(6)

in question - Meanwhile the Deputy Commr will submit full particulars of the land sought to be required by Mr Sanderson, such as its situation, area value from a Forest Department point of view, whether within or outside the reserved Forest tracts &c.

By Order.

To

The Chief Secretary
to the Government of Mysore

Sir,

With reference to your docket No. 12464/723 dated 10th ultimo, requesting to submit full particulars of the land sought to be acquired by Mr. Sanderson for coffee cultivation, I have the honor to state that the land referred to is included in the District Forest and, according to Amildar's statement, it roughly measures about 148-27 Ac. Gun. It is situated within the limits of the manjinally noted 4 villages attached to Chamaraja Nagar & Harddanahally Hoblies. The Amildar reports that

Kebbasur - Kalinayapriaga Hobli -
Ramasamudra
Devarajapura } Haradanahalli Hobli
Kollepura —

that the land does not contain timber trees but consists of a few stunted fuel trees and thorny shrubs, and that consequently no advantage will accrue by reserving it to the Forest department.

The Amildar's Kanarese report No. 721 dated 13th instant together with its enclosure is herewith submitted for further reference.

Dated Nuppoie 27th December 1892

From,

A. Rangasami Iyengar Esquire
BA. BL.
Deputy Commissioner

to,

The Chief Secretary to the
Dewan of Ellipoie

Sir,

With reference to Survey Superintendent's letter No 512 dated 22nd September 1892, requesting that steps might be taken to have the late Mr. Sanderson's lands in the village of Mordayte Channajnuggur Taluk ... leased temporarily at the adjoining average rate pending the introduction of the Survey settlement into the Taluk, quoting Government Proceedings No $\frac{3353-4}{R\ 536}$ dated 30th August 1892, I have the honor to state that, of the 2 blocks of land, one measuring acres-gs. 148-27 is irrigated by the Hongdenur Channel and excellently fitted for

wet cultivation, and the other block measuring 152-8 acres-G is fit only for dry cultivation.

2. J.W. Nanjundaraj Urs, Assistant Commissioner in charge of the Taluk, recommended that Rs 7-1 ½ per acre might be fixed for wet lands and Rs 1-14-0 per acre for dry lands; but considering the difficulties of cultivation and the cost and trouble involved in bringing the two blocks under tillage, I have fixed 5 Rupees per acre for wet and 1½ Rs per acre for dry lands comprised in the said blocks.

I have the honor to be
Sir,
Your most obd.t Servant

Deputy Commissioner

Proceedings of the Govt. of H.H. the Maharaja of Mysore

Read -

Letter No 899 dated 27th December 1892 from the Deputy Comm^r Mysore District, reporting that pending the introduction of the Survey Settlement into the Chamarajy Taluk, he has assessed two blocks of land owned by the late Mr Sanderson in that Taluk, at Rs 5 and Rs 1-8 -- per acre respectively.

Order No 13438 / R 1617-92 dated 1st 2 ~~February~~ March 1893.

3. The rates fixed temporarily by the Deputy Comm^r seem appropriate and are approved. He is requested to take steps for the recovery of the arrears due on the lands from the date of occupation.

Dewan Bahadur

Section V R Mysore
File No 14-90
Serial No In continuation

Dear Sir

In continuation of my letter of 13th April last to which I was informed with an answer I write to say that I shall have to abandon the lands held by the late Mr Sanderson at Burdinhalli the assessment is Canbitant Rs 1069 per annum

(13)

Mysore Chamaphan

Please see enclosed memo - If desired I will send a pte of the sept letters.

Yours truly

16/6

and it is surprising that it could not have been settled in Mr Sandersons life time I am prepared to pay Rs 500 per annum assessment if allowed to retain the lands and I think considering the amount spent on them this would seem a very handsome offer I have it under Mr Shamiengars own hand to Mr Sanderson that Government would lose nothing by giving Rs 15.000 for it so that if the land is sold to pay up the arrears of assessment thoroughly Mr Shamiengar either for himself or Government I shall feel that I have been most unfairly treated

Believe me

Yours faithfully

H R P Carter

Late Mr Sandersons Land at Hundanhalli.

1. How many acres?
2. Present rate of annual assessment?
3. arrears of assessment - how much?

Mysore Rangan - Yours

Please let me have the above information + oblige

Mysore 14.6.93.

Yours

K Thimmaiya

Send copy of the Mem. to Mr Carter for info & say the Govt do not see any grounds to reduce the assessment as proposed by him

20/6/94.

Memo.

The lands acquired by Mr. Sanderson in the Kasba Channarayapatna and Haradanhalli have been divided into five numbers at Mr. Sanderson's own request and assessed as follows

		area. A.G.	assessment Rs.P.	Total Rs.P.
7764	Wet.	148.27.	5-—-0	743-6-—
780.	Dry	152.28.	1-8-0	229.0.10
		300-15		972-6-10

Local cess @ 1 anna per Rupee 60-12-5

Water rate on wet land @ 1/2 Rupee per Kandi —— 36-—-0

Total for one year 1069-3-3

× 3

For three years from 1890-91 to 1892-93 inclusive —— Rs: 3207-9-9

2. The above rates were fixed with due regard to the difficulties of cultivation and the cost and trouble involved in bringing

the two blocks of land under tillage. The Asst. Com. in charge of the Taluk had proposed 7.1.11 for every acre of wet land and Rs: 1.14.0 for every acre of dry land on the ground that similar rate prevailed in the neighbourhood. But for reasons explained to Government in this office letter No: 899 dated 24th December 1892 the above favorable rate were fixed and recommendation was duly approved by Govt. vide G.O. No. 13438 R 1617-92 dt/ 1st Feb: 1893. In that proceedings it is stated that steps should be taken for the recovery of the arrears due on the lands from the date of occupation. Vide on this order Head Mr. Castle was asked to pay up the arrears of Kandagam. Mr. Castle wanted particulars of the land and the rate of assessment imposed thereon

in his D.O. of the (5) —. The particulars required have been duly furnished in this Office docket No: 3560 of the 15th May 1893 and it is on this that Mr. Castle seems to have addressed the Dewan protesting against the payment of the arrears on the ground of the assessment being, as he calls it, exorbitant.

3. It may be noted that the present rates are temporary and are subject to revision at the Survey Settlement.

4 All the lands acq by Mr. Sanderson, the Sela, 6 different adjacent villages, have been divided into five numbers for purposes of measurement and it is not possible to give particulars of extent of land belonging to each village. This point has to be settled at the Survey Settlement.

5. As Mr. Sanderson first

took up the lands without formal application to the Rev: Mc Pott or their orders, the lands could not be measured and appraised in the first instance Mr. Carter probably does not know the fact and so throws out a hint that the rates might have been easier if they had been declared when Mr Sanderson was alive. The offer of Mr. Carter to pay a lumpsum of Rs: 500/- per annum is quite inadequate, and if accepted, the ryots in the neighbourhood will complain the rates imposed on their lands.
